Moved: M. Morrow, Seconded: B. Gallagher that the report be received. Carried.

**Verifier's Report:** Michael Morrow and Carolyn Cartwright, the Society's verifiers, reported that all accounts and bank statements had been checked and verified and found to be correct. Bob Gallagher was complimented on the manner in which the books had been kept.

**Secretary's Report:** (Bruce Bradford)

2011 was again a very pleasing year for SSAS. Our 2011 Annual Show was a major success and our members appreciated support from other Societies and their members. I would like to especially thank Bob Gallagher for all his help with the preparation of our Annual Show Schedule and the monthly Newsletter which has included photos and interesting articles. It was also most pleasing that other members assisted whenever possible with the Annual Show and the Fund Raising Barbecue mornings. It would have been nice to have a guest speaker attend during the year, but a larger audience would be preferable for this to occur. We did however have some enjoyable visual presentations each month. Thanks to Ian and Colin for assisting with these features. Finally thanks to Ken and Bob for the staging cartage for the RAS and our Annual Show.

**President's Report:** (Warren Wilson)

"Many thanks to our Patrons, Mayor Ron Hoenig, Botany City Council, "Birdsville", Craigie's Nursery, Aviculture Accessories and "BRASEA". Our Annual Show was again very successful and we should thank the Gallagher family and friends for all their efforts in the provision of tremendous catering at the Show. Thanks also to Keith and members of the PBES for their assistance at the Show. It was pleasing that extra people helped at the Show this year, which was very welcome and extremely handy. Many thanks go to all who helped in many other ways during the year and especially, Nola, Rodney and Bob for assisting us with the catering at our meetings. Our main fund raising campaigns were centred around the Kingsford Timber BBQ mornings and we appreciate the support of all members, their families and friends, who have given their time to ensure we raise these much needed funds. I do hope you have all enjoyed the past year and look forward to seeing you at the Meetings and our next Show in June, as well as assisting with the fund raising again this year.

Moved: I. Ward, Seconded: Geoff Cook That the reports be received and reporters thanked. Carried.

GENERAL BUSINESS: Meeting Quorum Number: After some discussion from members it was decided that our current quorum number for our meetings be reduced from seven to five. Therefore it was Moved: B. Gallagher, Seconded: I. Ward "That the Quorum Number for our meetings be reduced from seven to five." Carried Unanimously.

Vice President, Ken Liley declared all positions vacant and the Election of Office Bearers followed.
